📄 PROFILE

Experienced multilingual training professional with over 14+ years of experience working with international clientele. Seeing the code is the new interest I decided to deep dive into the topic with 9 weeks of Le Wagon bootcamp. While working on a solo project, seeking a part time / full time role in IT/Tech fields

🎓 EDUCATION

Le Wagon Coding Bootcamp, Tokyo

01/2024 – 03/2024

9 week full time intensive coding bootcamp to learn web development.

Tools: HTML, CSS, Bootstrap, Javascript, Ruby, Ruby on Rails, PostgreSQL and Git/Github.

California State University Chico, California

Class of 2003

B.A. in Music Recording Arts

📁 PROJECTS

Pro-finder

The final project for Le Wagon bootcamp. A web application aims to help English speaking expats in Tokyo to find English speaking professionals with ease.

www.profinder1508.site

// Rails, Ruby, HTML, CSS, Javascript

Samurai-finder

A web application to rent samurais by just clicking buttons.

<https://samurai-services-f12cabe37c39.herokuapp.com/>

// Rails, Ruby, HTML, CSS, Javascript

🧠 SKILLS

HTML, CSS, Bootstrap, Javascript, Ruby, Ruby on Rails, PostgreSQL, Git/Github
